GZ ADVENTURES

YOUR ADVENTURE STARTS HERE

Bush Survival Games *Teambuilding!*

Ideal for Corporates, these Team Building activities are both fun and outcomes based, encompassing several adventure activities and testing the team work and problem-solving skills of the participants.

Where: 25 kms from Sandton and Pretoria, situated on the Crocodile River
Groups Size: 8 or more guests are divided into teams to compete against each other
Duration: 3 to 4 hours
Gear: Supplied by GZA – all equipment and guides

CONCEPT

With the development of Bush Survival Games, we created the next step in team activities. The team that wins will not have to be the fittest but the team that can-do problem solving and can work together whilst having fun.

CHALLENGES

Moon Walk: 3 Candidates at a time need to walk over two planks suspended on ropes. The facilitator will shout switch and three other candidates take over and continue

Pipe Line: 2 Teams each relay a ball through a half pipe to get it into a cone

Kettie Target: Each team has 4 ketties and are given 20 stones to shoot at targets for a period of 20 minutes. Other team members need to collect more stones

T-Block: Assemble a puzzle of the letter T

Nails: Balance 10 nails on top of a nail on a block and ensure that your nails do not touch the block

Infinity Loop: Free yourself from an infinity loop without taking it off

Cup Flip: Team members must flip cups on a table to collect points

Water Relay: Team members run a relay with cups of water on their heads that is emptied into a bucket. The team that collects the most water wins

Spoon Flip Teams flip spoons into a cup to collect points

Broken Telephone A team member whispers an instruction to another team member who then relays it to the next person

Consider coupling your experience with river rafting, quad biking or another adventure experience to complete the day. For the ultimate combination couple Bush Games with Battle of the Chefs.

"Talent wins games, but teamwork and intelligence win championships."
